IQAC Continuously collect feedback from students, faculty alumni and parents and these suggestions to make campus more student friendly and to give maximum value of time devoted by the students by means of its recommendation. During the session 2024-25 following are recommendations:

- A washroom for girls at 2<sup>nd</sup> floor will be constructed in New Building.
- Rainwater harvesting setup will be installed earliest as possible in the college campus.
- Four Smart-classes will be developed in the A-wing and New-Building.
- Solar panel on rooftop of New Building will be installed.
- Upgradation of Botany, Zoology, Physics and Chemistry Laboratory will be initiated at earliest.
- Development of Navgrah vatika will be carried in Department of Botany.
- Sound system will be installed in A-30 and A-31 in the A-wing of the college in order to facilitate teaching.
- Awareness about Indian Knowledge system (IKS) will be introduced among the students.
- A water cooler is required to be installed in the campus for the students.
- New books to be purchased for the enrichment of Library according to the NEP 2020 syllabus.
