

Call for Student Placement Coordinators

We are looking for Student Placement Coordinators to join our team. The successful candidates will be responsible for managing the placement process of our students and ensuring that they are placed in suitable positions. The Placement Coordinators will also be responsible for maintaining relationships with placement team, providing career advice and guidance to students, and monitoring the progress of placements.

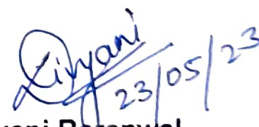

Responsibilities:

1. Develop and maintain relationships with placement team to ensure suitable placements for students.
2. Monitor student progress during placements and provide feedback to placement team.
3. Assist in the development of placement policies, procedures and processes.
4. Liaise with other departments to ensure smooth running of the placement process.
5. Prepare reports on placement activities.

Interested Candidate kindly register the form by clicking on the Link given below:
