

OBJECTIVE

Fundamentals of Research Methodology and Data collection is an excellent subject area that has a collection of basic concepts and terminology in Research Methods. It includes, ideas and tips on how to write impressive articles that are fit for publication in reputed International & U.G.C. care list journals. The subject area also deals with identification of problems encountered by young researchers and also preferred solution to those problems. This conference on Research Methodology will undoubtedly equip young researchers with technical knowledge know how and state of the art information on the subject that will engender faster growth in academics. Referencing, which is a vital part of any research work will also be discussed in technical session of the conference. This conference will also be helpful for post graduate students who wish to pursue research in their future career.

PROCEEDINGS

Extended abstracts (up-to one page) and full length papers are invited along with a soft copy which should reach us before 05 May 2025 by email. Paper should be typed on A4 page in Times Roman, and font size 12 pt. The figures must be placed at the appropriate place in the text. Accepted full length papers shall be published in the seminar proceedings

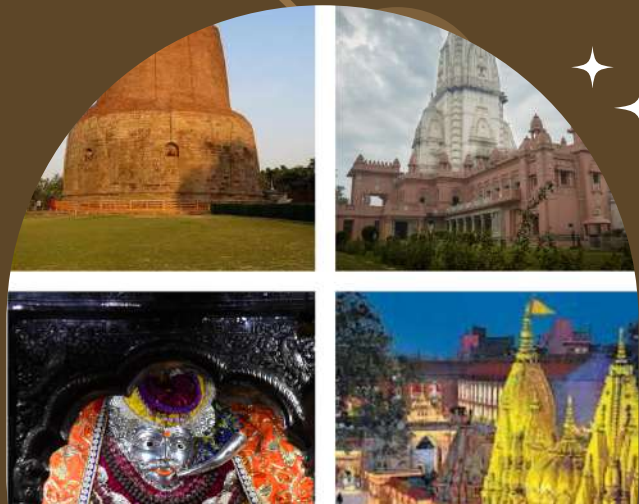

HOW TO REACH

The holy city of Varanasi is a well known pilgrimage centre and an International tourist place. It is well connected to major cities like Prayagraaj, Kanpur, Agra, New Delhi and Lucknow etc.by trains and buses. However, if someone wishes to travel by air, then Babatpur will serve as the most convenient entry point. Babatpur which is almost 20 kms from Varanasi city has an airport from where one can hire a taxi or use personal conveyance to reach the venue in Varanasi.

TOURIST PLACES

- Kashi Vishwanath Temple
- Kaal Bhairav Temple
- Mrityunjay Mahadev Temple
- Sankatmochan Temple
- New Vishwanath Temple (BHU)
- Sarnath
- Ganga Ghats
- Ramnagar Fort
