Principles of Guidance

According to **Hollies and Hollies:**

- The dignity of the individual is supreme.
- Each individual is different from every other individual.
- The primary concern of guidance is the individual, in his social setting.
- The attitude & personal perceptions of the individual are the basis on which he acts.
- The individual generally acts to enhance his perceived self.
- The individual has the innate ability to learn.
- The individual needs a continuous guidance process from early childhood through adulthood.
- Each individual may need the information & personalized assistance given by competent professional personnel at some time.

Basic Principles of Guidance :

- **Individualization:**

• Respect to individual differences

SP-STUDIO.DE
